# WHY PREDICT THE WORLD CUP 2026 WITH KINGS SCORE?

A World Cup Predictor. in Excel, badly functioning free online solutions, your own solution, or World cup 2026 predictor platforms that sell your data to gambling websites. There should be, and is, a better way. With Kings Score:

## Connection

A quickly set up sports competition and a fun way to connect participants.

## Easy, on any device

Enter predictions with the press of a button on mobile, tablet, or desktop

## No worries with the King

No need to worry about administration and no time-consuming keeping score in Excel

## Interaction

A lot of interaction with your brand or organization, with the company logo visible throughout the entire World Championship.

## OTHER PREDICTIONER PLAYERS WITH KINGS SCORE

### startpeople

"If the Dutch have a chance to win, it makes Start People's orange heart quicken. Thanks to Kings Score, we had a cool fantasy league for the European Championship and the Winter Olympics, with many colleagues and customers participating."

Simone Klapdoor

# WC 2026 PREDICTOR

Of course, the King does all the work. He sends out the invitations and calculates the scores during the World championship. Participants simply predict the round below in a super fit environment. Every round has a winner, and of course there is an overall winner!

## ROUNDS WE PLAY

### » BONUS ROUND

With questions like: Who will be the 2026 World Champion, and who will be the top scorer?

### » GROUP PHASE

3 ROUNDS

Predicting the final score of 24 matches

### » KNOCK-OUT PHASE

5 ROUNDS

Includes fun bonus questions during the tournament  
(Will Depay score in this match, or not?)

#### Nothing else like itt

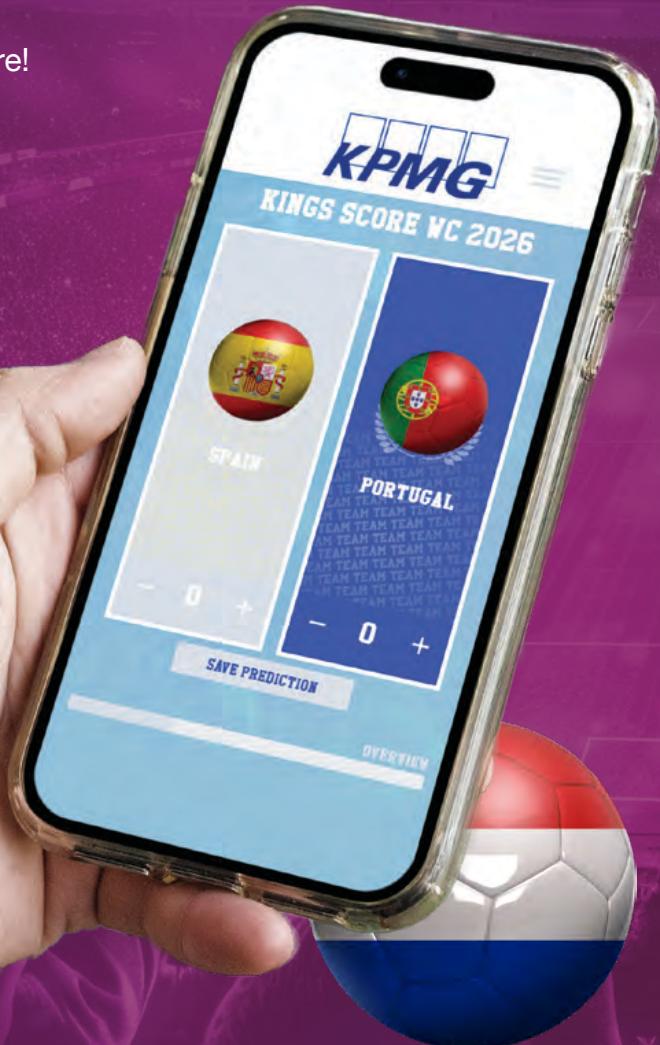

“The questions in between rounds and the round winners make it a unique fantasy league. All participants enjoyed it very much. It was the talk of the entire town, amazing.”

**Nick Thijssen**
